

当院での継続治療をご希望の患者様へ

当院での継続治療をご希望の方は通院中の医療機関より診療情報提供書（紹介状）を取得するようお願い致します。

紹介状なしでの治療継続の受診は受けつけておりません。

外国語による紹介状の場合、必ず日本語訳にしてください。

翻訳された診療情報提供書（紹介状）の内容（症状/治療内容）によって当院で対応ができない場合がございます。詳しくは別紙参照：外国語による紹介状をお持ち者様へ）

中部徳洲会病院

To patients who wish for continuous treatment at our hospital

If you wish to visit our hospital for continuous treatment, please obtain a referral letter from a medical institution where you were previously receiving medical care.

We can not accept patients for continuous treatment without referral letter.

If the referral letter is written in languages other than Japanese, please be sure to have it translated into Japanese.

Depending on your symptoms / treatment plan, we may be not able to provide medical care.

For more details, please refer to: "Patient with Non-Japanese Referral Letter"

As of 2023.2.27
